The musical score is for the song 'Ticket to the Moon'. It features a guitar part with chords Dm, Dm7, B $\flat$, A, Dm, Dm7, B $\flat$, and A7. The melody is in the right hand, and the bass line is in the left hand. The score includes a key signature of one flat (B $\flat$) and a common time signature (C). The melody starts with a whole note chord, followed by a series of eighth and sixteenth notes, including triplets. The bass line consists of a steady eighth-note pattern. The score ends with a double bar line and repeat signs.

Remember the good old 1980-s?
 When things were so uncomplicated?
 I wish I could go back there again
 And everything could be the same.

I've got a ticket to the moon
 I'll be leaving here any day soon
 Yeah, I've got a ticket to the moon
 But I'd rather see the sunrise in your eyes.

Got a ticket to the moon
 I'll be rising high above the earth so soon
 And the tears I cry might turn into the rain
 That gently falls upon your window
 You'll never know.

Chorus:
 Ticket to the moon (ticket to the moon)
 Ticket to the moon (ticket to the moon)
 Ticket to the moon (ticket to the moon).

Fly, fly through a troubled sky
 Up to a new world shining bright, oh, oh.

Flying high above
 Soaring madly through the mysteries that come
 Wondering sadly if the ways that led me here
 Could turn around and I would see you there
 Standing there (and I would see you there, waiting...)

Ticket to the moon
 Flight leaves here today from Satellite Two
 As the minutes go by, what should I do?
 I paid the fare, what more can I say?
 It's just one way (only one way)...

Chorus.
